

## SEXUAL ASSAULT CLIMATE SURVEY

In the fall of 2017, Elmira Business Institute launched its Sexual Assault Climate Survey to students at both campuses. There was a response rate of 106 students. The percentages in most of the graphs are based off of this response rate. Elmira Business Institute's Administration, in conversation with both Title IX Coordinators, will use this information to assess current and future educational programs and offerings.

Count of Gender

Count of Age

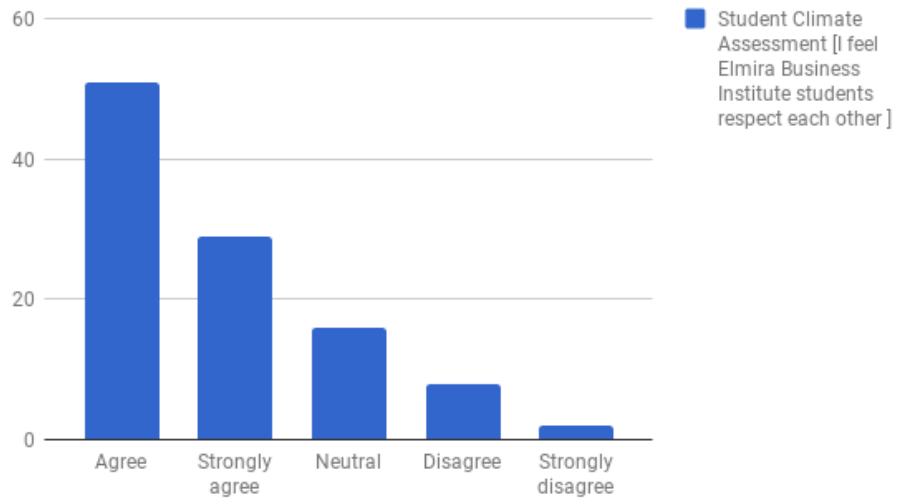

Current relationship status
